Dear Gift

Congratulations! We are delighted to officially welcome you to ABGTECH CO LTD as our new software Engineer/developer intern. We were very impressed with your background and are excited to have you join our digital team.

As this is our first official communication, please take note of the following details to ensure a smooth start.

Offer Letter & Documentation

Our internal committee is currently working as hard as possible to finalize your documentation so that you receive your official offer letter soon. We appreciate your patience as we complete these internal processes.

Your First Day Details (Remote)

Start Date: 7th May 2025

Communication & Remote Setup

WhatsApp Groups: We use WhatsApp for quick daily updates and team coordination. Please ensure you have shared your most active WhatsApp-enabled phone number with us.

Data Allowance: ABGTECH provides data allowance compensation starting from your fourth month of employment.

Volunteering: This role begins with 2 full months of volunteering/probation to ensure mutual alignment and integration into the team's workflow.

Action Items (Required Immediately)

To begin your registration, please reply to this email with the following details by 6th May 2025:

1. National ID/passport: A clear scan or photo of your National ID (this can be from your home country as we are an international team).

2. Reliable Payment Details: Please provide your preferred payment method. This can be Bank Details (Name, branch, and account number) or Mobile Money details (Registered name and number).

Note: Other compliance documents will be communicated to you at a later stage.

What to Expect on Day One

Your first day will focus on integration:

HR Orientation: A walkthrough of our remote work policies and culture.

"Virtual Tea": A casual video call to meet the rest of the team.

Interactive Session: A meeting with Manager to discuss your goals for the two-month period.

We are thrilled to have you join us. If you have any questions, feel free to reach out via WhatsApp at +256 767 026 285 or +256 755 408 145.

Welcome aboard!

Best regards,

MR. OROCH DANIEL
